11 IV. Statement Of Facts

12 1. The basis in part of this Complaint, see enclosed copy of
13 8-10-23 fax to: Louis De Joy with enclosed copies of documen-
14 ts. This fax is evidence in support of this Complaint. Please
15 note: its ~~prefax~~ was due to Kulick's lifelong Dyslexia cond-
16 ition. Which makes it extremely difficult to read, write &
17 edit what he writes. Kulick corrected "COA" but NOT separat-
18 ing "noone" or correct "because" or "ageny(s)" or "Camarilli".
19 The above is Exhibit A. Redacts to prevent ID thief in those
20 enclosed documents. Since, this Complaint public record. Do
21 NOT, because of ANY dire consequences to "authorized to file
22 for another person(s) or business", on my behalf. This would
23 subject Kulick to fraudulent activities NOT of his doing &
24 being held responsible & accountable for & greatest of finan-
25 cial jeopardy(s). De Joy, et al, refuses to reply to that
26 fax. Which only alternative but to file with the Court this
27 kind of Complaint. Especially, to protect Kulick's rights
28 under the U.S. Constitution. Kulick like millions of others

1 rec'd an Honorable Discharge from the U.S. military. We put
 2 our lives on the line for our U.S. Constitution & American way
 3 of life. That's what this Complaint is ALL about as the bott-
 4 om line HERE for Kulick. Before, he goes to his grave!!! Is
 5 this just too MUCH for this Court to put this matter to rest?
 6 In the best interests of ALL parties of concern & keep our
 7 U.S. Constitution under the U.S. Rule of Law a reality NOT a
 8 myth!!! Which those that died or injured for will NOT have
 9 been in VAIN!!! Kulick has NO computer or know how to use it.
 10 Kulick suffers under ADA & its side-effects from medications &
 11 a lifelong Dyslexia condition, which makes reading/writing/
 12 to edit what he writes extremely difficult. For, Kulick to do
 13 anything or go anywhere for anything a severe/chronic medical
 14 hardship(s). The U.S. Constitution's Articles are Unambiguous.
 15 They were written with original intent & for a living document
 16 to make new laws, those laws must be ratified by the State
 17 legislatures. Anything in the foregoing is NOT a law. The
 18 U.S.A. is a Republic Not a direct democratic NATION. Its
 19 U.S. Constitution governs its Republic as U.S. Rule of Law. Its
 20 enforcement of its law are done by a police State. Any breach
 21 in the foregoing results in a national security. Under natio-
 22 nal security, the federal gov't under law has the power to
 23 suppress any situation using the police State. This is to
 24 put a STOP to chaos, nullification & civil war. USPS will
 25 charge a service fee & must use a company.com name for this
 26 change of address(COA). A USPS, Clerk on 8-10-23 was present &
 27 heard the entire conversation Kulick had with "Luis" the
 28 USPS Camarillo Mgr., who stated that he was the "Mgr.".

resident/

Kulick's primary/address is 1377 So. Beverly Glen Bl, No.405,

L.A. CA 90024, for 51+ yrs. It's a matter of life/death when

USPS will NOT temporarily forward ALL his mail in his USPS P.O.

Box 241555 to his USPS P.O. Box 2254, Camarillo, CA 93011.

In the foregoing both Kaiser/VA list that "primary/address".

resident/

Those entities in particular deal with Kulick's healthcare.

Kulick's POB 2254 was setup since his 38122 Village 38, Camarillo, CA 93012 is listed in USPS document for this BOX 2254.

It's paramount that ALL his business enterprises also have

this temporary "COA", otherwise he's subject to dire financial consequences, by NOT knowing ANY related business activities,

that may impact his financial well-being. On USPS transaction receipt dated 8-10-23 letter to zip 93012 via Certificate

Of Mailing, to: Leisure Village Association, Inc.(LVA), was to a related two liens on 38122 Property of \$504,965.00 & \$7,185.

00 by creditor "LVA" & creditor Jeffrey A. Beaumont, et al.

Which both have 10% simple annual interest on these two liens

on 38122 property. These liens are inter-related to this "COA"

See Exhibit A, copies of documents as evidence in support

in ABOVE in part for this Complaint.

v. Cause Of Action

First Cause . Of Action

(Pattern In That USPS Letters Dated 7-29-23 Are Fraudulent &

Unconstitutional In Denying Change Of Address Except Online)

(As Against Defendant(s): and Does 1 to 500, Inclusive)

1. Exhibit A, has an abundance of evidence in support of this

Clause. Please note: Especially in Ref: "Fraudulent". Here,

"Luis" USPS Mgr. zip 93011 states, "unable to do this service, because have no way to do it", for this COA online. Also, in "support" see 1V. Statement Of Facts another "abundance".

Second Cause Of Action

(Pattern In Violation Of Americans With Disabilities) (As Against Defendant(s): and Does 1 to 500, Inclusive)

1. Here, there's an abundance of evidence of support in this Clause. See 1V. Statement Of Facts which includes Exhibit A.

Third Cause Of Action

(Pattern in RICO) (As Against Defendant(s): and Does 1 to 500, Inclusive)

1. Here, there's an abundance of evidence in support in this Clause. See 1V. Statement of Facts which includes Exhibit A.

Please note: The use of extortion in charging a service fee for this COA online. Also, "extortion" in which USPS, states, "If you did not submit this request...be assured...change-of-address...has not been processed...no further action". Here, USPS is using a U.S. gov't service as an enterprise engaged in racketeering.

Fourth Cause Of Action

(Notice Of Filing Magistrate Judge's Report & Recommendations Before This Court Dismisses This Case For Any Reasons) (As Against Defendant(s): and Does 1 to 500, Inclusive)

1. Failure of this Court to make this determination would DENY Kulick's rights to DUE PROCESS as well as being unequal & unfair treatment by this Court to him. It's without a doubt that this Court or ANY Court Rule in Ref: being in Pro Per status, to be on the same level as an attorney at law, NOT

just illogical but the purest of NONSENSE. That's an Unconstitutional breach of "original intent" of an unambiguous text. Which to be outside of is NOT ANY law. Exception is a "living" after "original intent" to make another Amendment ONLY when its ratified by the State legislatures which then becomes a new law. A "living" process is for a future-another time for this new law to be in the U.S. Constitution. This another Unconstitutional breach of this "original intent". This "determination" will give Kulick the opportunity to decide whether to refile ANY court rulings to the contrary could NOT be applicable, because on its face "contrary" to both "original intent" & "living", thus becoming Unconstitutional "rulings". "Both", have common ground for trust, faith & confidence that the U.S. Constitution, under our judicial system, is the ONLY governing factor to be U.S.'s Rule of Law, a reality NOT a myth.

Fifth Cause of Action

(Proposed) Order For Emergency Injunction) (As Against Defendant(s); and Does 1 to 500, Inclusive)

1. Kulick has given this Court an abundance of evidence in support for this Cause. This, especially, is unambiguous in the Constitution's Articles cited by Kulick. They're the original intent of the text cited. Which are the supreme law(s) from a contract between the Federal gov't & State gov't & citizens. For future law(s) to be enacted, they're living - process, of add'l amendment(s), which to become the supreme law MUST be ratified by the State legislatures. Anything outside this living process is NOT a law. They're Unconstitution-

nal. Unless, in an amendment, NO rules of Any court are Constitutional & that goes for Any Court being immune from being a Defendant in a lawsuit & that also goes for a Justice of Any court as a Defendant in a lawsuit. In Ref: U.S. Supreme Court or a Justice of the Court, there's NO immunity. Because, NO Court or Justice can be above the law. being a citizen comes before anything else, as stated in the foregoing. The U.S. Supreme Court is NOT an electoral process & has NO status as a citizen, which is the basis, that it has ^{NO/} immunity, as a defendant in a lawsuit. In USDC, Case #23-6474-GW-BFM, Kulick has sued the U.S. Supreme Court, et al. That lawsuit, in the foregoing, will establish it has NO immunity & especially as the Defendant, a conflict of interest exists. That being the Court(s) being sued are also the Justice(s) of those litigations. Kulick in VCSC, Case#56-2016-00478277-CU-DF-VTA has judgements of \$504,965.00 & \$7,185.00 against him. That have 10% simple annual interest on them. They are now two liens on his home property at 38122 Village 38, Camarillo, CA 93012 from those judgements. The creditors will/foreclosure use the/ process on that property. Which is a life/death situation, Kulick will NOT be able to survive in as a homeless person. That's Unconstitutional to be forced into being homeless. It's a cruel & unusual punishment under the U.S. Constitution in Article (V111). Now, USPS puts Kulick in another life/death situation with its Unconstitutional-to force him to use its change of address online as cited prior in the above. As the ONLY means for this USPS service, He has NO computer.

That, too, is Unconstitutional as being cruel & unusual punishment under the U.S. Constitution's Article (V111). Please see again USDC, Case #23-6474, itsEight Cause of Action. Which is also a basis for this Cause. It has add'l evidence in support with direct bearing in this Cause too. As to what Kulick cites in this Court Complaint matter against the Defendant(s). Please see enclosed (Proposed) Order For Emergency Injunction to be granted as IT IS SO ORDERED & DATED & SIGNED by a Judge. Whether, this Court accepts the fact that the USA is a nation under God as a Christain nation, may not have any significance in this case matter, it DOES with Kulick. The profoundest of significance. Because, Kulick has always embraced Judeo-Christain values, to be applied whenever & wherever appropriate. In Kulick's undertaking, especially as it concerns a judicial objective that must be engaged-in. Such, as this particular case matter or any other case matter(s).

Respectively & most sincerely submitted, Signed: RM R.J.

To whom it may concern-

Mr. Kulick [REDACTED] has been my patient for about 19 years. He has spinal stenosis (a degenerative condition of the spine which impinges on the spinal cord) which results in a partial paralysis of his legs. This combined with his degenerative joint disease requires the constant use of a walker or wheelchair, thus impairing his ambulation which is a major life activity. This letter is in support of his request for a parking space without major obstacles nearby and not too far from the elevator.

Fax to: Gary Lieb, M.D., Kaiser Clinic, Camarillo, CA
From: Robert Kulick, Kaiser MRN 7558

Dear Dr. Lieb:

For a very long time, have been getting my meals home delivered from Camarillo Health*District's "home on wheels" because I'm mostly confined to home because of my severe/chronic medical disabilities.

*care

However, when necessary do drive my auto for medical appts., shopping & errands. This is mostly very seldom & minimal!!!

Now, "meals on wheels" program needs a note from you to them that states, that I'm only driving minimally when necessary for medical needs & shopping & errand needs., otherwise mostly homebound. Without your "note" will no longer get my "meals" from them. That means I will be unable to feed myself appropriately & will suffer the consequences. Already at risks for Stroke & extreme Sudden Cardiac Death, in my kaiser medical file. Also, my living costs/restricted & very much limited.

extremely/ care/

Please per their request, fax Camarillo Health/District, Attn: "Myra" with your "note" to be cont'd on their "meals on wheels program!!! If, for some reason you're unable to fax them, then please write me about this matter in Ref: providing this "note". Their fax # is 805-482-8957, attn: "Myra".

Using your/fax #805-445-9247 for this request for your "note".
Kaiser/

On a pain scale 1 to 10, my pain level is 8, most times in AM & for me to do anything or go anywhere for anything an extreme, severe & chronic medical hardship & I'm under ADA of 1990!!!

Thanking you in advance for your cont'd kind medical assistance in this above matter which is greatly appreciated!!!

Sincerely, Robert Kulick *rk*

On the basis of all the abundance of evidence in support given by R.J. Kulick to the Court. The Defendant(s); Louis De Joy & the USPS Have engaged in a pattern of violations of the law. There is no doubt that this case matter is a life/death probability that R.J. Kulick will suffer as well as injury too without this emergency injunction. It would be cruel & unusable punishment that R.J. Kulick be forced into a homeless situation by the Defendant(s) & in an inter-related case matter. That other case matter is also incorporated in this emergency injunction. R.J. Kulick has two liens on his home property at 38122 Village 38, Camarillo, CA 93012 with 10% simple annual interest on each creditor owed. Their foreclosure, on R.J. Kulick's 38122 property, will put him in a homeless situation. Which will result in a life/death situation for him. Those two creditors are the Leisure Village Association Inc. with a lien of \$504,965.00 & other creditor(s) are Jeffrey A. Beaumont, A Professional Corporation, Jeffrey A. Beaumont, Larry F. Gitlin, Lisa A. Tashjian & Tara Radley with a lien of \$7,185.000. Those two liens came from VCSC, Case#56-2016-00478277-CU-DF-VTA, Currently, in the USCA-9 for judicial determination & further subject for determination if necessary at the U.S. Supreme Court. R.J. Kulick has severe/chronic medical hardships; he's under ADA, stroke, sudden cardiac death-conditions. And, also has a lifelong Dyslexia condition, making reading, writing & editing what he writes extremely most difficult. This "Order" will be at this time in the best interests of the law(s) cited by R.J. Kulick in this case matter & "inter-related other case matter. This Court has the power to provide R.J. Kulick with any other relief(s), it deems proper & just.
